NON-EXCLUSIVE LICENSE FOR USE OF MATERIALS in Digital Commons: a service of Kettering University Library.

In order to make your work(s) openly available on the web via Digital Commons @ Kettering, you as a contributor are asked to sign the Digital Commons @ Kettering University agreement which confirms that you as the Contributor or the copyright holder (if different from the Contributor) shall retain rights of copyright and shall grant Kettering permission to distribute and take the necessary steps to preserve your work.

This non-exclusive license defines the terms for the submission of materials in all formats into the digital repository that is made available through Digital Commons, a service of Kettering University Library.

I, as creator of scholarly content ("Contributor"), do hereby grant Kettering University permission to maintain and share copies of my original work(s) ("Submission") under the following terms and conditions:

Representation of Original Authorship:
I represent and warrant that I am the/an original author of the submission.

Non-exclusive License:
The Contributor hereby grants to Kettering University a royalty-free, non-exclusive worldwide license to use, re-use, display, distribute, transmit, publish, republish or copy the Submission, either digitally or in print, or in any other medium, for the purpose of including the materials in the Digital Commons @ Kettering institutional repository. Kettering will not make any alteration, other than as allowed by this license, to your submission.

Copyright:
Copyright and any other intellectual property right in or to the Submission shall not be transferred by this agreement and shall remain with the Contributor, or the Copyright holder if different from the Contributor.

If the Contributor is not the copyright holder, I certify that permission has been obtained from the copyright holder to make my submission available online.
If the submission contains the work of others, the Contributor represents that permission has been obtained to grant Kettering the rights required by this license.

If the submission is based upon work that has been sponsored or supported by organization other than Kettering, the Contributor represents that any right of review or other obligations required by such contract or agreement have been fulfilled.

**Access and Use:**
My submission will be maintained in an open access online digital environment via Digital Commons @ Kettering: a service of Kettering University Library. The submission is intended for educational purposes only. This license shall not authorize the commercial use of the materials by Kettering or any other person or organization. Because materials on Digital Commons @ Kettering are openly available to anyone with internet access, I do not hold Kettering University responsible for third party use of my submission. I agree that Kettering may keep more than one copy of my submission for preservation purposes.

**Content Takedown:**
Content may be removed at any time by request of the original author with an email to digitalcommons@kettering.edu.

**FERPA WAIVER:**
Students making submissions to Digital Commons @ Kettering agree to share their work and waive any privacy rights granted by FERPA or any other law, policy or regulation, with respect to this work, for the purpose of publication.

This agreement embodies the entire agreement of the parties. No modification of this agreement shall be of any effect unless it is made in writing and signed by all of the parties to the agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their authorized agents as of the date stated.
